

WELCOME TO THE 18TH ANNUAL STMC DINNER AUCTION

February 6th, 2010

Dear Friends,

The Dinner Auction is a long-standing tradition, a major community event and principal fundraiser for our school. The event is a cooperative effort and the result of many months of dedicated hard work by the STMC Parents Association Auction Committee. There would be no "Night of Knights" without the ongoing commitment and encouragement of the staff of STMC, Alumni, Parents, Friends, Donors, Sponsors, Students, Volunteers and all of you here tonight.

*Tonight's fundraising event will support the outstanding mental, physical and spiritual education that our St. Thomas More students receive. This year the funds raised will be used to help renovate the **school oval running track**, which is in much need of a new surface. Every member of the STMC community will benefit from this track. This will only be possible with everyone's generous support and participation.*

In 2008, the decision to host the dinner auction off site, brand the event with its own name 'Night of Knights' and try some new fundraising activities, was well received. The overwhelming response and attendance of 280 people tonight again, shows your support and goodwill for the school.

*Last year's theme raffle prize of a trip for 2 to Paris was a smash hit and with the generosity and support of the The Boffo Family of Companies, we are again able to offer an exciting theme raffle trip for 2 to the **Mayan Riviera** - a romantic trip for the winner and their Valentine. Only 100 tickets are being sold so the odds of winning this exciting trip are great. For those who bought tickets, good luck!*

As with any major undertaking there are many challenges and we thank you for your indulgence as we attempt to keep the Night of Knights fresh, interesting and exciting. We thank you for supporting this year's event, which showcases the best that the school community brings to STMC. Enjoy!

Sincerely,

Night of Knights - Dinner Auction Committee
