

ST. THOMAS MORE COLLEGIATE

HOME OF THE KNIGHTS SINCE 1960

Wednesday, April 1, 2020

Dear Parents,

An unanticipated technical issue means that we are unable to livestream the scheduled Parent Meeting this evening at 7:30PM.

The presentation has been PRE-RECORDED. Please follow the link below to view the presentation!

As outlined in our communique to you yesterday, today was a big day for us at STMC as it saw us launch **Phase 2** of our **Remote Teaching & Learning Plan**.

Yesterday our students were given specific instructions to log on and look as what the 'next steps' were for each of them as we work towards getting ready for a more "regular" learning schedule with their teachers. Tasks and instructions are different for students at different grade levels. All of our students should now be working towards the daily goals and objectives outlined in these various Career-Life-Education Projects.

We also asked our students to join us online this morning at 10AM for a livestream Full-School Assembly. This gave us a chance to – first and foremost – let them know that we love them and are here for them and that, as a community, we will get through this together. It also gave us the opportunity to go over with them (in detail) our plan to move from a face-to-face to a Remote Teaching & Learning environment.

A separate Q&A Forum was held specifically for our Grade 12s at 11AM to go over questions related to Marks – Transcripts – Post-Secondary Admissions.

The links to both of these recorded livestreams are available below. Please ask your daughter/son to log into their Google Drive to view as access is likely restricted to those with an STMC Gmail account:

PDFs of the various Slide-Decks for today's presentations, as well as a link to our New STMC E-Learning Schedule also accompany this email.

We know that our parents may still have questions. If you have a question related to our Remote Teaching & Learning plan please use the following [STMC Parent Q](#) Google Form to submit a question. *Please Note:* Due to the intricacies of getting online classes up and running, please be patient. Once we have found the best way to communicate the answers to these questions we will communicate that to the community.

Finally, as I have asked in each of my communiques I ask that you pray for the continued good health of our two Christian Brothers – Bros. Bassett & Cass – as well as everyone associated with our St. Thomas More family!

Yours in Christ,

Steve Garland

Principal - STMC
