International Travel	Have you or anyone in your household returned from travel outside Canada in the last 14 days?	YES	NO
Confirmed Contact	Are you or is anyone in your household a confirmed contact of a person confirmed to have COVID-19?	YES	NO

If a student answers "YES" to any of the questions and the symptoms are not related to a pre-existing condition (e.g. allergies) your daughter/son should NOT come to school. If they are experiencing any symptoms of illness, contact a health-care provider for further assessment. This includes 8- 1-1, or a primary care provider like a physician or nurse practitioner. If they answered "YES" to questions 2 or 3, use the [COVID-19 Self-Assessment Tool](#) to determine if they should be tested for COVID-19.

Students will be asked to scan their personalized RFID Card each day when they enter the school as part of our sign-in and sanitizing procedures. By scanning their RFID Card they are acknowledging that their parents have conducted their Daily Health Check and are healthy and able to attend classes.
