

ANNUAL REPORT

2019-2020

ST. THOMAS MORE COLLEGIATE
HOME OF THE KNIGHTS SINCE 1960

MESSAGE FROM THE BOARD CHAIR

It is a privilege and pleasure to once again bring greetings on behalf of the St. Thomas More Collegiate Ltd. Board of Directors. The Board includes a Christian Brother, current parents, alumni parents, alumni, and other professionals who dedicate their time and talents to support STMC. We thanked 3 outgoing board members and are grateful for the commitment of 3 new directors. We were delighted to welcome to the board an alumnus of Marian High as it signals our desire to integrate Marian High into the STMC community. The board also thanked Ms. Neysa Finnie for her contribution to STMC as President from 2015 to 2019 and welcomed her successor Mrs. Dianne Doyle.

The Board, in partnership with the President, Principal and all the staff, have had another exciting and successful year. We continued to show excellence in many areas following the direction of our Knights Compass. Based on the most recent rankings, STMC has continued to maintain its academic standing in the top 10% of BC Schools; excelled in numerous arts and athletic endeavors, and actively participated in mission service locally and abroad.

We appreciate the collaboration and resilience of our entire community as STMC responded to the COVID-19 pandemic. We are proud of STMC's ability to sustain a safe and supportive teaching and learning environment within a new reality of virtual connections and acknowledge the hard work, dedication and personal sacrifice of our students, families and staff.

Please be assured that the Board is focused on STMC's future success. We are confident in our ability to sustain a culture of servant leadership while we demonstrate excellence in all endeavours, maintain strong enrollment, enjoy financial stability and advance a long term plan to rebuild the school and enhance the STMC experience for our entire community.

We look forward to continuing to serve.

Dan Eisner
STMC Ltd. Board Chair

MESSAGE FROM THE PRESIDENT

This is my first opportunity as President of STMC to send greetings as part of the Annual Report.

I want to start off by expressing my sincere gratitude to each and every member of the STMC community for your ongoing commitment to the success of our students and staff. All our achievements are the result of the collaboration and hard work of the entire STMC family. Our Brothers, students, staff, parents, alumni, donors and volunteers have all contributed to STMC's commitment to be BOLD, DARING and IMAGINATIVE.

Once again, our students have been a source of pride and inspiration. Their individual and collective accomplishments in the arts, academics, and athletics are nothing short of amazing. Their energy and passion in mission work and service to the marginalized is equally phenomenal. It is a privilege to witness the growth in character and confidence as they experience the diverse opportunities to learn, lead and serve. Every day, we as staff are blessed to learn and grow along with them.

Although we did not anticipate the global COVID-19 pandemic, STMC was well positioned to respond. Having already introduced Chromebooks and IT platforms for teaching and learning. This allowed STMC to adapt to the challenge of a virtual reality. Our parents, students and staff demonstrated creativity, collaboration and trust; and were united by the common goal of safety first.

The annual report marks the end of a fiscal year. It is a time to reflect on achievements and anticipate future opportunities. 2020/21 will be another exciting year as we will celebrate STMC's 60th Anniversary, and complete a Strategic Plan that will guide us for the next 5 years. I welcome your participation in these important milestones as STMC continues to evolve as a community in which all are enabled to achieve their full potential to LEARN, LEAD and SERVE.

Live Jesus in our hearts... forever!

Dianne Doyle
STMC President

MESSAGE FROM THE PRINCIPAL

The 2019-2020 school year provided us with, arguably, the biggest challenge we have faced as a school community in nearly 20 years. However, we were not alone – we never are. Our faith in God and our belief in each other has always served us well. The advent of a global pandemic and our response to the suspension of In-School Learning in March 2020 – in many ways – encapsulated why so many people over the past six decades have come to see STMC as an incredibly special place.

As the Holy Father, Pope Francis proclaimed on an overcast and fittingly dreary, rainy day in his Urbi Et Orbi address to an empty St. Peter's Square at the beginning of the lockdown back in late March... we are all in the same boat... in the midst of an unexpected, turbulent storm. To survive it we needed to band together and row in the same direction.

Luckily, ours is a faith and learning community who – over the course of our 60 years of leading, learning, and serving youth and families within the Roman Catholic Archdiocese of Vancouver – has always come together in times of great need. It is the very essence of our being, it is in our DNA.

As we invariably discovered, the biggest challenges can often provide the potential for great opportunities. The emergence of COVID-19 required us to completely rethink and reimagine teaching and learning, as we knew it. It also forced us re-examine how we addressed or marked the many traditions (or rites of passage) associated with the life of a school and particularly, a faith-based school. Most importantly, it also afforded us the chance to reset our collective priorities for it gave us permission “to take breath, and go on afresh” (St. Francis De Sales). The Gospel values of **care, comfort, and compassion** became our guideposts as we attempted to continue the vital work to connect hearts and minds. Grounding all of our work in that which fills our soul and gives purpose to our actions was, in many ways, liberating.

It is an enormous source of pride to know that a key mission of our Church – the faith formation of our youth – and the charism of our founder, Blessed Edmund Ignatius Rice, are ‘lived’ realities at St. Thomas More Collegiate. Through the dedication of our staff and the support of their families, our young Knights are encouraged to optimize their potential, and serve others and God by striving to create a just and caring world. The work we do at STMC is so important, and I am blessed to be its principal.

With gratitude to the many who make our sacred work possible!

Stephen J. Garland
Principal - STMC

ERCB ESSENTIAL ELEMENTS

The life of Blessed Edmund Rice – businessman, husband, father, widower, religious brother, teacher and founder – challenges all involved in Christian Brother education to live and teach gospel values in today's world.

Today, the Edmund Rice Christian Brothers North America (ERCBNA) and their partners in mission reaffirm the essential characteristics of an Edmund Rice Christian Brother Education. The Essential Elements of an Edmund Rice Christian Brother Education find their source in ministry begun by Jesus Christ and their inspiration in the vision of Blessed Edmund Rice. These Essential Elements serve as a guide and standard for all Edmund Rice Christian Brother Schools.

The Essential Elements of an Edmund Rice Christian Brother Education call us at St. Thomas More Collegiate to:

- Evangelize Youth within the Mission of the Church
- Proclaim and Witness to Catholic Identity
- Stand in Solidarity with those Marginalized by Poverty and Injustice
- Foster and Invigorate a Community of Faith
- Celebrate the Value and Dignity of each Person and Nurture the Development of the Whole Person
- Collaborate and Share Responsibility for the Mission
- Pursue Excellence in all Endeavors

2019-2020 HIGHLIGHTS

Our amazing staff, families and volunteers continued to provide our students with an array of opportunities to grow and excel in **Academics, Science, Arts and Athletics** while integrating **Faith** development and a commitment of service to others. Every 6 years the Ministry of Education evaluates BC's independent schools and STMC participated in the review in December 2019 and received multiple accolades. A few recommendations were made and addressed and STMC has met the required standards for certification as a Group 1 Independent School.

Highlights

- **STMC consistently ranks in the top 10 % of schools in BC based on academic performance**
- Request for enrollment again exceeded capacity. STMC accepted 688 students including 3 international placements
- Tuition assistance/bursary support was provided to over 90 students for a total of \$315,000, much of which comes from the generosity of alumni/donors
- The graduation rate was 99% and 65% of graduates earned a scholarship/financial award. Over \$750,000 was awarded to our 2020 graduates
- 95 different courses were offered including 6 new programs: Architectural Design 11, Advanced Placement Computer - Principles 11, Chamber Choir B, and 2 Honors Sciences CanSat12 and Beamline 12
- Knights participated in 27 diverse co and extracurricular clubs
- Knights continued to build on their strong reputation in athletics and earned significant individual and team accomplishments including Provincial Championships for Grade 8 football and JV Lacrosse; 2 gold medals in senior wrestling, and multiple top 10 provincial standings
- Knights also excelled in the Visual, Applied and Performing Arts with expansion of programs in band, choir, and robotics. A Knights Watch media production team has become a full course. The major theatrical production "Inlaws, Outlaws and Others that Should Be Shot" showcased the Knights varied talents
- Knights each complete 30 hours of service every year to those in need locally and globally. Actions include support to those in DTES with clothing drives and street outreach with the Good Shepard Ministry; food donations in Burnaby and New Westminster; prayer cards for prisoners; work with Third World Eye Care Society, and a Special Olympics Sports Day. Students raised \$20,000 for mission work.

COVID-19

- In March 2020, a global pandemic was announced and on March 14 in-school learning was suspended until mid-June
- Building on the 2018/19 1:1 Chrome book initiative and G-Suite google applications allowed for virtual learning
- Graduation ceremonies were modified but included Grad Breakfast, Mass and in school convocation

A huge thanks to our dedicated administrative, teaching and support staff who along with our students and parents implemented a virtual approach to teaching and learning which integrated our faith traditions.

A Look Ahead to 2020/21

- It is anticipated that COVID 19 response plans will continue throughout most of 2020-21. STMC will continue to provide excellence for Knights to Learn, Lead and Serve
- The Strategic Plan for 2021 to 2026 will be communicated January 2021 with revised Mission, Vision, Values and Aspirations. Thanks to everyone for their input
- The City of Burnaby will be initiating planning for Edmonds Community Centre and STMC will use this as an opportunity to engage the community in advancing a vision for the redevelopment of STMC
- Celebrations will be held throughout the year to mark STMC's 60th Anniversary. A virtual Gala is planned for May 15, 2021

COVID-19

In the midst of the COVID-19 pandemic, a wonderful amount of good was also taking place. Many people with hearts of gold rose to the occasion to do what they could to help others in light of the situation. STMC is immensely proud of how some Knights, both alumni and current students, have continued to embody the Essential Elements of Blessed Edmund Rice.

Canes for a Change is an initiative that '18 Grad Mikaela Montagano and her brother Thomas who is graduating this year, helped start and lead with BC MedEquip Home Health Care Ltd. This is a community service project where those with old, worn, and unsafe canes can come to exchange for a brand new one for free. Powered by student volunteers with support from local charitable groups, the event was a resounding success as around 200 canes were exchanged in just one day.

Many of those who attended were very grateful for the program and to the many STMC student volunteers as they helped serve their community. Burnaby Mayor Mike Hurley also made an appearance to show support. More exchanges are already in place for future events.

STMC alumnus David Diemert, Class of '88, a professor of medicine at the George Washington University School of Medicine and Health Sciences and also a physician in the Division of Infectious Diseases has been a leading figure in the race towards a COVID-19 vaccine. Led by David as the principal investigator, his team at George Washington University was one of 90 sites across the USA to participate in clinical trials of experimental vaccines and antibodies.

David states, "COVID-19 is one of the greatest public health challenges of our time, and it is of utmost importance to find a safe and effective vaccine. We are proud to play a role in the network of researchers working to reduce the impact of this deadly disease."

The Mangawang family had been busy working on putting together "Front-Line Workers Care Pack" bags to donate to front-line workers. Each bag contains nutritional and personal care products from various sponsors. They reached out to relatives, friends, neighbours, businesses, anyone that was interested to help fill these care packs.

Isaiah and Brayden met their goal of putting together 65 bags in the early weeks of May. Choosing to donate to ICU nurses and Respiratory Therapists at Surrey Memorial Hospital and also staff at Crescent Gardens long-term care in White Rock, they then personally delivered their Front-Line Workers Care Packs directly to the front-line workers while maintaining safety precautions. The boys were met with tremendously positive feedback and interest, that even more local businesses and friends have reached out to them for more packs to be prepared and delivered.

DEVELOPMENT & COMMUNITY RELATIONS

During such challenging and unprecedented times, we are grateful to have such a loving and engaged community of students, parents, teachers, leadership, and friends.

STMC owes a large part of our success to our Parents and Alumni Parents. The 2019 Knights Christmas Market had an attendance in excess of 3,000 people and raised over \$23,000 towards STMC's top priorities. Much gratitude for parent co-chairs Laurie Sheehan, Liza Elliot, Jocelyn Hernandez, and Suzanne Sachinidis. "Team Awesome" is what we like to call them! COVID-19 challenged our community to be more creative with engagement. Thanks to alumni parents Jessie Fung, Jason Au, and Chris Rickaby, STMC held a safe outdoor Mother's Day Plant and Donut Sale. The event sold out 6 hours early!

The Fallen Knights Bursary Endowment Fund, funded by generous donors, continues to be a central focus for our school and is providing accessibility for families who otherwise may not be able to attend. Pledges for the Bernie Kully Memorial Bursary Fund completed this year and the Shane Van Vliet Memorial Bursary received a generous \$72,000 in contributions and commitments. We owe much gratitude to our alumni community for their support specifically with this effort.

COVID-19 has accelerated the importance of Social Media for STMC this year. In its inaugural year, the STMC Instagram Page has gained 823 alumni followers. Communications Manager, Jason Wong, and Director of Alumni Relations, Dom Zimmermann, have been busy creating engaging material for our community especially as we celebrate our 60th anniversary. Please follow our school, alumni, and many other school-related social media channels for up-to-date information on STMC and our community.

Much gratitude to Alice Roder for taking on extra duties and managing our development efforts this year. Alice's enthusiasm helped us exceed our target on our Knight's Annual Fund, bringing in almost \$60,000 in contributions. Moving forward, the Knights Annual Fund will be a year-round effort and will allow donors to contribute to an unrestricted emerging needs fund or directed towards areas represented on our Knight's Cross. These areas include Faith, Academics, Arts, Athletics, and Advocacy & Action. By contributing to these funds, our donors are helping our Knights become bold, daring, and imaginative.

Much gratitude to the STMC community for supporting our efforts during unprecedented and challenging times.

Brent Christensen
STMC Director of Development and Community Relations

PARENTS ASSOCIATION

We are blessed to have a community of wonderful parents who share their time, talents and treasures with the STMC Community. Our Parents Association (PA) is a diverse group of leaders, and all parents with students enrolled at the school are members. The PA reaches for the stars and strives to be a support system to the entire community, including students, their families and the faculty. It is part of their mission to provide events that are informative, creative and which unites our community.

STMC is so grateful for the support of the PA and the value they provide to our School. They provide volunteers for the events and activities, including Dance Chaperones, the Remembrance Day Mass and Reception, Open House, Walkathon and the Parent Teacher Interview, just to name a few. The annual Knights Christmas Market, is the PA's largest fundraiser and sees around 3,000 visitors to STMC during the KCM weekend.

Through their efforts, the PA provides **over \$50,000** each year to STMC Ltd, to support and improve the educational experiences and learning environments of our students. What they do truly has an impact, allowing our facility to be the **best** that they can be.

If you haven't had a chance to reach out and get engaged with the Parents' Association yet, please do. It is wonderful to see what you can do for our students!

ALUMNI ASSOCIATION

The St Thomas More Collegiate Alumni Association is set up as a Non-Profit Society with a board consisting of 14 members. Our Mission is to coordinate events, activities and initiatives to keep alumni and STMC connected; to foster and support communication between the STMC Alumni Association and the school; and to be proactive in providing support and guidance for the current students and the alumni.

In the 2019-2020 school year we hosted Homecoming and our 23rd Annual Alumni Basketball Tournament. Due to COVID-19, we had to postpone our 4th Annual Alumni Volleyball Tournament and our highly anticipated 21st Annual Greater Knight Open (GKO) Golf Tournament. Despite the cancellation of our GKO we were still able to raise over \$38,000 for our Shane VanVliet Memorial Bursary Fund from our generous supporters.

The charism of Edmund Rice is alive and well in our students, staff and alumni and we encourage you to celebrate with us as St Thomas More Collegiate continues to grow in Faith, Academics, Fine Arts and Athletics. We look forward to making our 60th anniversary year a memorable one.

You can contact us anytime at alumni@stmc.bc.ca.

Dominic Zimmermann
STMC Director of Alumni Relations

Bill Elliot
STMC Chair of Alumni Association

REMEMBERING MARIAN HIGH

Marian Regional High School, founded in 1965, was an all-girls school located just off Holmes Street in Burnaby. Marian was a cohesive, small group with diverse students and teachers coming together from all over the Lower Mainland.

Back in those days, St. Thomas More was an all-boys school and Marian High was our sister school. The two schools collaborated and held joint events such as dances, pep rallies, sporting events, school plays, car washes and “milk runs” along Cariboo. The fond memories and bonds created still bring a smile for all! Sadly, on June 29, 1988, Marian closed down and the classes of 89, 90, 91, and 92 were scattered like petals in the wind. A decade later, STMC became a co-ed school giving the opportunity for “Marian Girls” to become “Knights” instead of “Gettes.”

Jennifer Plante (Nee Cruikshank) was a Gette that planned to graduate from Marian in 1989. In her grade 12 year, while attending Holy Cross, Jen met the love of her life, Rob Plante (STMC '89) through mutual friends. The two would marry and raise four beautiful children. Jen sadly passed away in July 2019.

It is with Jennifer's passing and the compelling desire to honor the Marian High legacy as an important part of STMC's history that the Marian High Bursary Fund was initiated. The fund will provide tuition assistance for a female enrolled in STMC who might otherwise not be able to attend. With Jennifer Plante as the first honoree, the fund raised \$7500 in the first few weeks.

We are grateful to the early donors to the Remembering Marian High Bursary Fund and encourage supporters of female education to consider a contribution.
